

EXPERIENCE

Interaction Designer | Punchcut

FEB 2022 – JAN 2023 | APR 2023 – FEB 2024 | Contract - Remote, Santo Domingo, DR
Collaborated with multidisciplinary teams in the automotive, financial, and tech industries to visualize the future of digital products across user interfaces. Iterated on solutions and designed prototypes to enable conversations with users and internal teams. Balanced business and user needs.

Senior Visual Designer | Phnx Studio

FEB 2020 – FEB 2022 | Remote, Santo Domingo, DR
Worked alongside clients, project managers, and designers to revamp the look and feel of various interfaces and responsive websites. Remotely, presented design solutions and design decisions rationale. Brainstormed and designed wireframes, mockups, and prototypes.

Interaction Design Co-op | Punchcut

MAY 2018 – SEP 2019 | San Francisco, CA
Designed digital experiences and interactions for multiple industries to solve complex design challenges and help clients envision their digital products and services across devices. Created deliverables such as annotated wireframes, interaction guidelines, secondary research reports, conceptual diagrams, workflows, use cases, and personas.

Visual User Experience Design Co-op | Rivet CX

MAY 2017 – AUG 2017 | Pittsford, NY
Redesigned iVEDiX Digital Platform data visualization elements and interactions. Provided the development team with assets and specifications for production. Assisted the UX team with competitive analysis reviews and designed mobile app visual proposals for clients.

Graphic Designer | Maeno & Co PR Agency

APR 2016 – AUG 2016 | Santo Domingo, DR
Participated in the ideation process to develop event concepts for clients. Designed print and digital materials.
